Steve,

Thanks for the heads-up. I received your other email with the letter and revised work plans. Yes, that would be very helpful if you could send the revised grant work plans in track change format.

Thanks again,
Lucinda

Lucinda –

Julie prepared the two grant applications in “track changes” format.

Would you want to have that version? It may make review easier.

Lucinda –

Attached is a recent letter from Sec. Quigley to Mr. Garvin responding to Mr. Garvin’s September 4th letter.

Also attached are revised grant applications that address the concerns found in the September 4th letter and other comments received from EPA.
